

# Perform-n-Win BP

**A textured feed designed with higher calories for performing and growing horses**

- > Balanced energy for performance and stamina
- > Higher calories available for performance animals, and allow for lower feed ration on maintenance animals
- > Formulated for optimal body condition without the calories
- > High in beet pulp for added fiber
- > Added yeast cultures:
  - Enhanced fiber-digesting bacteria creates more efficient use of vitamins and minerals derived from forage
  - Better nitrogen utilization
  - Stabilized cecal/ colon pH
  - Helps in availability of forage phosphorus because of the phytase enzyme
- > Added organic selenium
  - Increases digestive absorption
  - Better tissue retention
  - Optimizes immune response
- > Perform-n-Win is a fixed formula so your horse will get the same taste, texture, nutrition, calories and quality ingredients from every bag.
- > All Tizwhiz products contain the Tizwhiz Vitamin and Mineral Micro Pac, the most extensively researched and proven balance of vitamins and minerals.

## GUARANTEED ANALYSIS

## FEEDING DIRECTIONS

Horses should be fed as individuals to meet their needs of body weight and activity level.

Feed up to 1lb of Tizwhiz Perform-n-Win per 100lbs of the horse's weight per day, adjusting to the quality of hay or pasture available.

Body tape your horse and weigh the feed to ensure proper amounts.

**ALWAYS FEED HAY, WATER AND LOOSE SALT FREE CHOICE**

**DO NOT FEED TO SHEEP**
